Subject: Sample Tracking Sheets

Moira,

As we discussed. Please call the other Regions and get them to immediately send their latest tracking sheets to Christine who is cc'd here. Please explain to her the difference between the R8 spreadsheet and the R6/9 spreadsheets.

As to the other issue. You should be taking direction from either an OSC or someone who has been delegated to do so.

Christine is an OSC. She is the Environmental Unit Leader for Area Command. Please coordinate with her and your counterparts in the other Regions to get her what she needs when she needs it.

Thank you. You are doing a fantastic job!
